Subpart 619.7—Subcontracting with Small Business and Small Disadvantaged Business Concerns

619.705 Responsibilities of the contracting officer under the subcontracting assistance program.

619.705-1 General support of the program.

It is the Department's policy to incorporate its current fiscal year goals as negotiated with the SBA into all pertinent Department solicitations, in

addition to the standard subcontract clauses. Incorporation of the goals does not require that large business prime contractors must subcontract, but does require that to the extent they plan to subcontract, specific goals be established for doing business with small, small disadvantaged, and women-owned firms. Where funds are available, an incentive clause such as that found in FAR 52.219-10, Incentive Subcontracting Program for Small and Small Disadvantaged Business Concerns, is encouraged.

[59 FR 66760, Dec. 28, 1994]

619.705-3 Preparing the solicitation.

Whenever the clause at FAR 52.219-9, Small Business and Small Disadvantaged Business Subcontracting Program, is used in a solicitation for a negotiated acquisition, a notification also must be included in the solicitation. This notification shall advise prospective offerors that subcontracting plans may be requested from all concerns determined to be in the competitive range. To further promote the use of small, disadvantaged, and women-owned firms by large prime contractors, contracting officers are encouraged to consider the adequacy of the subcontracting plans, and/or past performance in achieving negotiated subcontract goals, as part of the overall evaluation of the technical proposals.

[53 FR 26170, July 11, 1988, as amended at 59 FR 66760, Dec. 28, 1994]
